## ***About us***

The SIES Arts, Science and Commerce College was inaugurated on 20th of June 1960 by Shri Y. B. Chavan, the first Chief Minister of Maharashtra to serve the ever-growing educational needs of students from North and Central Mumbai Suburbs, and was the gift of the South Indians in Mumbai to the then newly-born State of Maharashtra.

Excellent results at various University and Board examinations, and coveted awards and merit positions bagged by the students have placed the S.I.E.S. College among the most outstanding institutions in the city.

The college has been recently conferred with Autonomous Status by UGC as a recognition of its excellent academic work

## ***About ENAC***

Expert Nutraceutical Advocacy Council will educate, create awareness, engage and create network with academia and life science institutes, design curriculum, conduct training , orientation programs and seminars

It will be the motto of ENAC that young talent at academic levels breed with right knowledge, orientation and skill set so that they are ready to take stride with ENAC objectives and join sector for its development and growth

## ***About the Course***
